Please find below and/or attached an Office communication concerning this application or proceeding.

Attachment to Notice of Non-Compliant Amendment

1. Receipt is acknowledged of a request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e) and a submission, filed on 4/10/08. The submission, however, is not fully responsive to the prior Office action because the amendment cancels all claims drawn to the originally elected invention and presents only claims drawn to a nonelected invention. The original claims are drawn to a species corresponding figures 7 and 8, pg. 11, line 31- pg. 12, line 27, while the new claims are drawn to the species corresponding to figures 4, 5, pg. 8, line 23 - pg. 10, line 30. Since the submission appears to be a bona fide attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period for reply supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
